Christian G. Malcolm Kehm U.S.M.C. Memorial Piping Scholarship Recipient
2007 & 2008

I am a recipient of the Christian Malcolm Kehm USMC Piping Scholarship and I attended the NAAPD July 8-13.

This summer, the two weeks that I spent at the North American Academy of Piping was made possible by the scholarship that I received from your organization.

I was exposed to intense instructors with my best interest in mind. I was at a stage where I could absorb their advice about my tunes; they pushed me to enhance my playing and accelerate my embellishments.

At the Grandfather games after attending camp July 8-13, I competed in the 2/4 March and got 6th place, and placed 2nd in my piobaireached competition. I attribute those accomplishments to the instruction at the North American Academy of Piping.

I appreciate the opportunity that your scholarship afforded me. I plan on continuing my attendance at the piping school and look forward to seeing you at the highland games!
